

COMMERCIAL RELIABILITY NOW AVAILABLE FOR YOUR HOME

1986

**ATEE9AWP433AW01**

683

### **BUILT TO LAST**

We still make them like we used to. Built to last up to 25 years in the home - 10,400 cycles.

### **DURABLE**

Components include heavy-duty hinge, heavy-duty variable induction drive system, metal trunnion, bearing and driveshaft, with heavy-duty seal and bearing assembly and aluminium pulley.

Three-coat, commercial-grade steel cabinet will look good and last for years to come, whilst interior protects clothes from rust stains and discolouration.

### **EXTRA CAPACITY**

Dryer: Large 198 litre cylinder, means less wrinkles and creases. Large door opening can handle the biggest loads, so you spend less time in the laundry.

Front Load washer: Large 96.8 litre stainless steel tub, constructed for increased washing performance and water extraction, with 180° swing door.

### **ENERGY EFFICIENT**

Dryer: Whisper quiet, superior airflow of 85 litres per second results in faster drying and less wrinkling of clothes.

Front load Washer: Dynamic balancing, Incredible 440 G-force and 1,200rpm spin speed for optimum water extraction, and a spray rinse for outstanding results and water saving.

### **COMPACT**

All in one, a space saving unit providing ease of operation with excellent wash results.
